

Laura Murray has a Bachelor of Fine Arts specializing in graphic design and after working more than 15 years in the corporate design world, she decided to start her own freelance design and illustration business. Laura is excited to announce her fourth coloring book - *Our Patriots! Our Patriots* was produced in conjunction with the National Society Daughters of the American Revolution, with Laura being the book's illustrator and designer. Laura's other books are part of her Amazing States Series of coloring books - *Amazing Alabama*, *Amazing Georgia*, and *Amazing South Carolina*. Her first book, *Amazing Alabama*, was released in 2017.

Laura finds inspiration for her artwork in the people she meets and the region she calls home - going on weekend trips, touring local museums, trying out mom-and-pop restaurants, and driving through small towns. Her favorite art medium is pen and ink, but Laura is always experimenting with different styles and techniques. When she's not endlessly sketching anything she can imagine, Laura enjoys spending time with her husband, children, and 2 pets at home in Auburn cooking, watching old movies, reading, crocheting, painting, and (of course) drawing.
